### **North East Rural Livelihood Project**

(World Bank Funded)

Ministry of Development of North Eastern Region

North East Rural Livelihood Project (NERLP) funded by the World Bank is a multi-state rural poverty alleviation project. The project is being implemented in two districts each of the states of Mizoram, Nagaland, Sikkim and five districts of Tripura.

NERLP is mandated among other services to provide Skill Development Trainings for the youth groups to improve socio-economic conditions of the people in the project villages.

#### **Skill Development & Placement**

NERLP is entrusted to hone the skills of unemployed youths in various sectors so that the youths can earn and sustain individually and also contribute to their family income. The project will support need based trainings to unemployed youth between the age group of 18 to 35 years in different institutes and facilitate them in job placement. The training cost will be borne by the project for gainful employment of the rural youths.

#### **MAJOR SECTORS UNDER SKILL DEVELOPMENT & PLACEMENT**

##### **□ CONSTRUCTION**

**Scope for rural youth:** Skilled youths can be engaged in building of roads and highways, urban infrastructure (buildings, malls), railways and metros, power sector, etc. for both government and private enterprises. The project will sponsor skill trainings in different institutes for the unemployed youths.

##### **□ HEALTH CARE, BEAUTY & SPA**

**Scope for rural youth:** The youths trained in Health Care, Beauty & Spa trade can get absorption in Hospitals, Clinics and Laboratories, Hotel spas, health & fitness clubs. In today's world of health & beauty consciousness, beauty & wellness has a tremendous scope for career progressions.

##### **□ HOSPITALITY**

**Scope for rural youth:** A hospitality unit such as restaurant or hotel consists of multiple groups of service providers and the youth can be employed as housekeepers, porters, chefs, barmen and tourist guides.

##### **□ INFORMATION TECHNOLOGY (IT)**

**Scope for rural youth:** IT sector is dealing with computer hardware, computer software, electronics goods, internet and telecom equipment. Many big companies are penetrating rural towns at rapid paces now-a-day. The rural youths can be appointed in such companies after completing course in IT.

##### **□ RETAIL**

**Scope for rural youth:** After completing retailing course, unemployed youths can be absorbed as sales persons in departmental shops, medicine & telephone companies, MNCs dealing with food & beverages.

##### **□ SECURITY**

**Scope for rural youth:** As a trained security guard, the youth can be absorbed in private offices, business enterprises, showrooms, banks and hospitals.
